What can we do to make your stay better?

Aside from the Wi-Fi, our only issue was with the map. We found Smith Creek SRA, after we realized ~~it~~ wasn't at a our turn wasn't at a four-way intersection. Also, we'd have liked to see the Oregon Trail, but the map indicates going "through" a T-intersection, which we didn't understand.

What other services and/or amenities should we provide?

Couldn't ask for more of a country get-away!
